Maximize Renewal Opportunities

Account retention is the lifeblood of agency growth and profitability. Designing processes that drive excellence across service standards maximizes your renewal opportunity.

ReSource Pro Renewals

ReSource Pro Renewals solution establishes a framework to initiate renewals in an efficient and timely manner. This allows your staff to focus on client needs and assure they are adequately covered. Moreover, the elevated quality of service will help you increase not only the number of renewals, but also their value.

What We Do

We build on our extensive Renewals experience and customize the process to fit your needs.

1. INITIATE RENEWAL PROCESS

We'll run and format expiration lists to help Account Managers identify any required marketing effort, and assure that key activities are completed on time.

2. PREPARE SUPPORTING MATERIAL

Your team will retrieve and organize information (loss runs, renewal notices, etc.), facilitating Account Managers' assessments. Renewal applications can be prepared, or additional optional quotes can be retrieved.

3. UPDATE AGENCY MANAGEMENT SYSTEM

All along the way, your team will assure that your agency management system data is accurate, and update any system notes or diaries to aid your monitoring of the renewal process.

4. SET UP RENEWAL PACKET

Your team can help prepare schedules, summaries, and cert holder lists for formal renewal meetings.

5. FOLLOW UPS AND REMINDERS

Your team will make sure that your carrier partners have all required documentation by sending follow-ups to Account Managers.

6. SUPPORT THE DECISION

We'll prepare all relevant documents. If you don't get the account, we'll send a close-out letter to the prospect, and update your systems to improve future prospecting.
